

rebuke to hierarchs

δαρμ word contains holy subjects; make sure, that you are in dignified state.

if you will not pay due attention to it, that will only speak of your unjustifiable corruption.

you will not be merely rejecting me, for i am herald of my master.

today is bittersweet day for rightfaith. this word touches concerning pseudo-first-of-bishops of rome, first-of-bishops of constantinople, exarch of america elpidophoros, first-of-all-bishops of mcxethathbilisi, first-of-bishops of jerusalem, and others.

concerning pseudo-first-of-bishops of rome: he declared, “every religion is way towards god”, and at other-place, “unity is not uniformity, and diversity of your cultural and religious identities is gift of god.” he jarringly betrayed our lord with this, for heresy of so-called-muhammad mutilates gospel, mutilates god, mutilates always-essencing yeshua anointed-one with taking away his beyond understanding divine sacrifice and he called this, “gift of god.” he betrayed with this word “one”, word “holy”, word “catholic”, word “apostolic”, for “neither is huria[jew] nor elini[greek]; neither is slave nor non-burdened; nor is male and female; every-ones for you one are in anointed-one yeshua”, “and shall you be for me set apart, for holy am. i yahweh, and i have separated you from peoples, that you be mine”, “justification and god’s through faith of yeshua anointed-one for every-ones ones believing-ones. not for is otherness”, “rather even if we or angel from heaven would be evangelizing to you contrariwise which we evangelized to you, anathema be!”

this satisfying evidence is, that roman catholic flock destroyed is, for its “primus supra pares” is habitual heretic indefinitely cut off from body of christ by god-s for blasphemy of god. and every person, which will not repent, rather will stay under own heretic pseudo-bishop, will have to give answer before god δαρμ during day of judgment; this is warning from father or from god, which he wanted me to have delivered to you, roman catholics.

if “pope’s” words were true, then what meaning does [roman] catholicness has? verily, i am telling you, your sacraments are emptied of grace after great self-cutting-off and your communion is communion of satans; indeed, in your apparitions, you are worshipping satans*{means, for you adulterate dark and light, same-is, if you be worshipping satans}.

now, with father’s grace and mercy i will explain this to you: lets set aside supremacy of bishop of rome; only that truth, that roman catholics confess procession of spiritholy from son, witnesses, that this whole time you are in delusion and have not understanding of holy trinity; for true and by father to me verily revealed truth about holy trinity such-is: father is mind, son - by father begotten own image,

which through every was created, and spiritholy, mind's extension, which acts in creation and fills up right-baptized; and god is one; father, son, and spiritholy is co-always-essencing; for, though son begotten-is, god always-allknowing-is and though spiritholy extension-is, you cannot separate father and spiritholy like, as head and body. same constitution you will see (only) in human, for it is created in god's image. now, is difference between god and human, though not is father's will now on this i to spread out. accordingly, this makes clear, that notion, spiritholy proceeds from son, is senselessness; and it shall not be of dispute, that spiritholy by father son-of name-authorization-with-is sent out in oneness of christ and church, and may be said, father's and son's together is sent out.

now, if pseudo-first-of-bishops of rome ever was right-baptized, he is indefinitely cut off from church; if never was, then he can repent, embrace rightfaith, and get right-baptized, as any gentile/wayward, and be made citizen of true congregation.

roman catholics, know, after that first-of-bishops of rome cut self off and lost grace, first-of-bishops of constantinople became first among equals and received title "first-of-bishops of new rome"; that is he is successor of throne of rome.

for [eastern] orthodox roman catholicness shall be all-condemned heresies and abhorred.

according to father's will, first-of-bishops of constantinople and exarch of america elpidophoros are indefinitely cut off from ekklesia for praying together with heathens, which-with they spat on ḥařm̄ anointed-one's faith's martyrs and betrayed god.

;

by god first list of off-cuttings:

remember, this is by god for your correction, father's affection.

to every ecclesial person, which took part in worship in episcopalian pseudo-church of manhattan, indefinitely anathema.

if they will continue acting as members of church, will be to their condemnation.

what's up with you? you are worse than enemies of god. you don't love my father.

for insulting of healer of spirit and flesh mystery of communion of our lord, to metropolitan methodios of boston, together with elpidophoros, indefinitely anathema.

every member of holy synod of greek orthodox archdiocese of america by god indefinitely anathema is for not condemning elpidophoros.

metropolitan of italy polycarp is indefinitely anathema.

bishop irinej dobrijevic is indefinitely anathema.

metropolitan kallistos ware is indefinitely anathema.

church has never lost oneness, there are some who have cut themselves off.

is love which you learnt from my father, affirming of others' delusions?

tichon ivanov of bulgaria and other ecclesial persons who knelt before "pope" are indefinitely anathema; even kissing his hand.

[roman] catholics have zealousness for passion of christ, yet they confess heresy of purgatory, which insults father's sacrifice.

such corrupted children you are; if heretic pseudo-bishops of rome were not thisworldly distinguished, you would have long disregarded them; yet, you do, as you consider with own eyes, betraying god. my father does not know you.

according to my information, in phanar "pope" benedict was commemorated among hierarchs of church; every responsible one indefinitely anathema is.

"orthodox" "church" of ukraine, of which autocephaly is acknowledged, according to my information, by constantinople, alexandria, cyprus, and greece; whole "orthodox" "church" of ukraine by god indefinitely cut off is from church.

every, which maliciously insulted healer of spirit and flesh mystery of communion of our lord, around covid or else, indefinitely anathema is.

and every person, which will not repent, rather will stay under own heretic pseudo-bishop, will have to give answer before god ḥσťm during day of judgment and will be co-cut-off.

;

concerning first-of-all-bishops of mcxetha-thbilisi: he blessed congregation to go to chant at roman catholics and, sorrowfully, they chanted with waywards; each ოსმო member of congregation or/and first-of-all-bishops of mcxetha-thbilisi should have been indefinitely cut off from church and, for congregation sinned with his negligence, father's will is, indefinitely cutting off of first-of-all-bishops of mcxetha-thbilisi from holy church, and rathering of self-cutting-off by members of congregation cannot change it. praying with non-orthodox is no light thing; it is adulteration of light and dark, truth and falsehood, good and evil.

is other ineffably severe trouble too; from cathedral temple, many wrong things have been preached, when strict warning is, that every preacher will have to give answer on every word; to sum up destructiveness of these preachings, this is habitually repeated exhortation preached, 'lets worship godbearer'; not deep respect, not reverence, rather worship; i repeat, worship; this completely astonishing how-it-was-overlooked heresy is. furthermore, 23.11.2024: "for saint george true way and life was lord our jesus christ. neither he knew other way, nor he wished to walk other way and because of this he embarked christ's way with great tenacity and bravery. because of this *emphasized* we love and worship him..." - preaching of metropolitan of senaki and chxorowyu shio (mujiri) on feast of george.

thbilisi, year 2016 december 7, old temple of trinity: funeral service of heretical bishop ilarion samxaradze was completed; where ilia went and took part, furthermore called him "episkopos"; therefore, for holy synod has not condemned ilia for this, by father's will, whole holy synod is dethroned and henceforth they will be igumens(, though till resolving of situation, for tending to eparchies, they will maintain standings); according to father's will, only locum shio will maintain standing, that sanctity of my enthronement may not be soiled and for in obedience wrongly brought up victim is; in instance of disobedience, they will be cut off. you are loyal to father, though to ilia more; and more so have you embraced him as father and father by your actions you have abhorred; and you have shown cowardice of heart in protecting congregation. in duration of times, your cowardice, quietness, and inaction allowed ineffable destruction; this also goes to ones orthodox in general: if you would be trying to live according to father's will, now light would be standing higher than dark on earth, though out of your lukewarmness, earth is rolled in dark-ity.

o, my all-beloved ilia, how bitter is thine cutting off; by god i to thee trophy of brilliance should have given over and by god thou would be with crown of glory; though soft-ity and not-ear-cutter-ness differ and by god i am telling thee, thine transgressions are of ten out of ten severity.

many things were overlooked, but this went way too far. and bishops which otherwise also went far, indefinitely or temporarily will be cut off:

iobi, as layman - elguja son of zurabi aqashvili - indefinite;

vaxtangi, as layman - shamil/badri son of rubeni axvlediani - 7 months;

dimitri, as layman - nodar son of shota shiolashvili - 6 years;

ioane, as layman - guram son of vaxtangi gamrekeli - 5 months;

andria, as layman - amiran son of anatoli gvazava - 9 months;

antoni, as layman - ruslan son of suliko buluxia - 12 years;
zosime, as layman - shotha son of giorgi shioshvili - 7 months;
iosebi, as layman - giorgi son of mileni kikvadze - 8 months;
stefane, as layman - stefane son of grigoli kalaijishvili - 10 years;
nikolozi, as layman - paata son of givi fachuashvili - indefinite;
saba, as layman - zaza son of roini gigiberia - 3 years;
iakobi, as layman - konstantine son of usufi iakobishvili - 10 months;
ioane, as layman - nikoloz son of thamazi shomaxia - 7 months;
grigoli, as layman - guram son of grigoli berbitchashvili - 9-and-half years;
zenoni, as layman - imeda son of shotha iarajuli - indefinite;
svimeoni, as layman - theimuraz son of thamazi cakashvili - 9 months.

chanting not is performance for entertainment of people! chanting not is background music! chanting is about lord and chanting is for worshipping of lord!

supra is not continuation of liturgy; furthermore, eating, save of lord's holidays, or drinking, save of water or of lord's holidays, is unacceptable, when touching is upon things connected to father's sacrifice, save of emergency situation. and instead of word "sufra", use word "salaghobo."

according to report of "tabula", archimandrite gabriel ghurwkaia of western europe stated, "illegitimate president illegitimately elected by illegitimate parliament. this is belittlement of qarthian nation." - by god i command, for sedition, that is acting that tends towards rebellion against established order, and conduct unbecoming gabriel ghurwkaia is indefinitely anathema.

by god i command, for enemy-ness of state, high treason of principality, and contempt of principality and church salome zurabishvili is indefinitely anathema.

giorgi abdushelishvili is indefinitely anathema.

first-of-bishops of jerusalem insulted holy miron and so every co-responsible-ones. first-of-bishops of jerusalem has become confused. though at times church was confused, for monarchy is missed of father's will and is disregarding of his sovereignness, still first-of-bishops of jerusalem not possesses excuse, because monarch wayward is. accordingly, მართ first-of-bishops of jerusalem sinned before father. according to father's will, he and every co-responsible ecclesial person are indefinitely cut off from church.

holy anointing of oil is mark of spiritholy-possessing-ness; of sealing gifted by father, of only right-baptized-ones within abiding მართ anointed-one's მართ spirit; this is true understanding.

according to father's will, place holder of their titles i will be, till ecumenical council and holy synods will not choose out from brothers.

will of ruling party or/and people will be figured out, though this cannot change lord's will and father wills my enthronement.

father's will is, for us to build all-glorious ecumenical senate in mcxetha and till then, it is acceptable for ecumenical council to be processing in parliament of saqarthvelo.

father's will is, only [eastern] orthodox to take part in building. i don't consider current government will trouble these.

father's will is, mcxetha to be sovereign city-state directly under my headship; more so important is, if senate will be built, though father will not force this too; and, father's will is, firsts-of-bishops to be given citizenship and diplomatic immunity, for they are father's chief ambassadors on earth.

other than this, citizenship to be available for orthodox, who desire being under theocracy.

furthermore, according to father's will, first-of-bishops of mcxetha shall be first among equals; for after jerusalem mcxetha is by god most grace-possessing point and new constantinople and newer rome.

it would not be god's will for me to have declared this singlehandedly, though because first-of-bishops of constantinople has cut self off and god has rejected his office, pleasing is to father for me to by him make this declaration.

reasonable is for first-of-bishops of mcxetha to know qarthic tongue.

generally this is to be chosen by brothers; and if saqarthvelo will not accept my divine sovereignty, then father wills i to be first of all bishops of mcxetha.

furthermore, father wills, russia to make afxazethi and south ossetia completely subject to me. if request will be declined, father wills anathematization of ones responsible. reason as to why anathematization in this instance and not so in instance of saqarthvelo is, that russia or current authorities or people have no valid claim over them in sight of god. till transfer will be fleshed out, i by god exhort free travel across borders.

and everyone hear, i am extraordinary and plenipotentiary ambassador of ღართ Sovereigndom of ღართ God to earth; and i am under protection of god performing my duty.

and title, father's will not is ecumenical first-of-bishops, rather first of all bishops; first-of-all-bishops and first of all bishops differs with it, that first expresses being catholicos-first-of-bishops and second - being first among equals. "and which may want among you to be foremost, will be everyones' slave."

;

to say saints' prayer has peculiar grace is wrong, for father impartially cares for everyone; and it's true, at times, he wills to work through his saints, to show men, that there is exaltedness in being set apart for him.

anyone who beholds god as distant and scary being, does not know him and his beyond-all-loving father's affection towards us; for he delights in our every breath and, for he, out of his love, gave up his life for us, not because of anything we have done.

in my father's sight, none sentient of his creatures merits standing above any other.

by good struggle, you can give way to grace of god, but you can never do anything to earn it; there is no one righteous other than father and there is no salvation outside of him. by god's decree, shall this be preached in churches by his priests, for his children to better know him; for indeed, all of them are seated with him, that is god, on divine throne in oneness of christ and his church. apart from me, no good can you do. furthermore, know this, mother of god incarnate, before she was so, was daughter of god; and foremost is daughter of god and then bearer of god incarnate; she is of peculiar reverence, for her flesh is in part flesh of god incarnate and, as mother of sovereign, bears honorific title of queen or mother-lord.

if you think, that with your praying you will save someone or/and some saint's prayer will save someone; hoi, not do you have knowing of god and are in delusion; even ineffable blasphemy in all-graceless lord-departed σαρκα sinful reasoning: you are as accursed ones, which cut icons into communion.

also, by god i want to clarify, to call mother of god queen as female sovereign or "vasilisa" is improper; for σαρκα title belongs to body of christ, church collectively.

it is worth σαρκα difficulty to become whom god made you to be.

and such is god's will for your life; and if you are unwilling to spend yourselves everyday bearing your crosses by grace of god, having resigned yourselves completely over to father, trusting him accordingly; then you are living in sin and your faith is dead and your religion is vainness.

and if you are not confessing god according to rightfaith, then you believe in pigment of your imagination and are worshipper of satans and your christianness is false.

yet, i tell thee, not to believe me, rather seek god with all thine heart and with humbleness of heart; seek truth with willingness to accept truth as truth reveals own self.

christ bore cross, therefore in him we can too.

and have nothing to do with those who profane father's title, baselessly calling themselves christians, but are degrading and profaning sacraments of communion, marriage, priesthood, and countless other abominations before thrice-holy god; for they are accursed before him; and if any such will be found in church, indefinitely anathema be! *{how blind shall one be, to replace most holy of blood and of flesh communion, with 'cracker' and grape juice.}

these are who confess to be christ's church, of pure preaching of gospel, and of christly sacramental life; but be not deceived, for though they claim christ, they have spat in θαρτ face of our savior and god; and their actions condemn them! these are those who confess they are orthodox, but are anathema before father!

when i am wording anathema, i mean anathema, though temporary; that is temporary complete cutting-off from church life.

;

i am not monarch, i am divine judge wholly bound to god's will appointed by god; and, truly, only my father is head of his church. amen. glory to our father.

and i, according to father's will, represent θαρτ just impartial truth.

i claim no recognition for any good, rather every good is gift from father. i am not good, rather of good. god is potter, but clay am.

"or make θαρτ tree well-acceptable and θαρτ its fruit well-acceptable, or make θαρτ tree rotten and θαρτ its fruit rotten; for from θαρτ fruit, comes-to-knowledge θαρτ tree."

spiritholy in me witnesses, that i am his; other proving is insult of spiritholy; "every sovereigndom split against own is trampled over, and every city or house split against own will not stand."

according to father's will writings will be translated and you will get to know more.

someone may say, that i am too strict; though no-one can reasonably say, that i tolerate blasphemy of father or perversion of rightfaith; and both would be wrong, for i am prophet of god; and i don't at all desire i would be needing to cut someone off. this is great claim, though father provided sufficient verification in total.

;

anyone who questions, if children go to heaven, is not of sound mind. they are saints, brought up by god himself.

ritual uncleanness is thing of old covenant; to say right-baptized person is unclean, is to insult θσρων holy spirit of god.

as we are here, by father i declare, if any will trouble entrance of newly-labored mother into church, θσρων person will be before father anathema for 6 months.

father's will is, θσρων abhor debt.

"if yahweh builds not house, its builders are vain-laboring."

priests and bishops properly sign cross.

don't put bad for good; don't call unholy holy; non-orthodox are merely waywards.

to exarch makarios of australia: it is none of thine business to cause influence on congregation's decision, to get vaccine administered. but thine thisworldly connections may get injured, no?

do thou know, that informed consent could not have been given? do thou know, that vaccines are tainted with blood of ill-killed children?

thou art not merely passerby, thou bishop art, thou has responsibility. what does thou has to answer my father, when thou has shown such negligence?

don't you be so insolent, as to be justifying yourselves.

according to will of one and only, thrice-holy god, i, son-of-god iakobieli yeshuasi, summon world's firsts-of-bishops with two of their companion bishops, to discuss matters going beyond our countries and concerning good order of this world as whole.

father wills ecumenical council after completion of investigations.

i ask you, gather together every lawlessness known to you.

word to many people, which in last period found themselves under press of sorrow: finally, be strong in always-essencing heavenly father and in power of his might.

i don't know what to word, when i see human's suffering; father taught me compassion according to might, respect, and, to keep remembrance of truth about him.

full word is available with website: „iakobieli.github.io“
